“Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.” — Jesus

“Many men and women around the world have a sincere yearning to improve the collective experience of mankind,” says speaker Mark McCurties. “In this lecture, I will explain how God’s loving and saving power is the greatest agent for change, and that through a right understanding of God, His power can be seen and felt right here and now, bringing health and peace to the world.”
